

You are invited to attend a special industry and women's **CONNECT event** hosted by **SANS Cyber Defense Initiative 2016**. Our co-sponsors include George Mason, IEEE Computer Society Northern Virginia & Washington DC, IEEE Northern Virginia Section, IEEE Women In Engineering, InfoSec Connect, ISSA International Women In Security Special Interest Group (WIS SIG), and Women's Society of Cyberjutsu. Our local *ISSA Chapters* include ISSA Central Maryland, ISSA Northern Virginia, and ISSA Washington DC.

Join us on December 13, 2016 at the **Grand Hyatt Washington**
 1000 H Street NW
 Washington, DC 20001

- 6:00 – 7:00 PM Networking Event
- 7:15 – 9:15 PM scheduled SANS@Night Evening Talks

Attend, connect, and partner for success in 2016 and beyond. Reach up to 800+ scheduled SANS attendees, as well as all attending organizations with your vital membership, professional development, and community benefits messaging!

Complete event details can be found at: <https://www.sans.org/event/cyber-defense-initiative-2016/bonus-sessions/10345/#bonus-box>. Registration: <http://tinyurl.com/SANS-CONNECT-DC-2016>

Attendance is **FREE**. All are welcome. ***Join us for an evening of fun, networking, and learning!***

A full calendar listing of **future SANS events** can be found at: <https://www.sans.org/security-training/by-location/north-america> if your organization has interest in participating further.

For those organizations wishing to register for logo display, marketing tables, or raffle gifts register at <http://www.issa.org/page/WISSIGSANSEvent>. For any additional questions, please reach to our **SANS Representative**, Ms. Deanna Boyden at dboyden@sans.org or our **ISSA Intl WIS SIG Representative**, Ms. Leah Lewis, at wissig@issa.org.
